Trauma, dissociation and affect dysregulation across the life-span

## **DOLLSVILLA AT THE EUROPEAN SOCIETY FOR TRAUMA AND DISSOCIATION 2016**

Five hundred trauma psychologists and psychiatrists from Europe and beyond meet next week in Amsterdam. They exchange views on "Trauma, dissociation and affect dysregulation across the life-span". During the first Dutch meeting of the European Society for Trauma and Dissociation | by Annemiek van Dijke.

The DollsVilla by Liliane® is present at the conference. The villa is used inter alia in Poland as an research-observation tool for traumatized children at the Psychology Faculty University SWPS.

Amsterdam Beurs van Berlage 14 - 16 april 2016.
