I am still gaping reeling from the humongous pricetag on this dolls house...£966.76! Jaysus!

Designed by Dutch designer Liliane

Limpens, the Liliane Doll Villa is full of lots of details and includes 6 chairs, a couch, dining table, bookcase, kitchen counter, swing, wardrobe, 2-person bed, 1-person bed, crib, desk and pc-table, bathroom furniture, shower and toilet.

Measures about 50 x 48 x 24 inches.

Liliane Doll Villa from Tiny Dodo – This is no longer available online in the UK but you can buy it in store at Harrods. You can also find out more about the villa on [Liliane's website](#).
