### **ABOUT INTERVIEW BY THE DUTCH VNO-NCW**

#### **DollsVilla Global participated in the economic mission last year and her business grows**

10 March 2017

Liliane Limpens, owner of [DollsVilla Global](#) was interviewed by VNO-NCW about her participations in various Dutch trade missions and in particular the trade mission to Australia late last year. You can read the full article in Dutch [here](#).

Limpens founded her business over 18 years ago. Her dollvillas are found in numerous hotels and hospitals world wide, but also in women's shelters, refugee centers and family homes. After participating in the economic mission last November she wants to take a more commercial approach. She prefers participating in economic missions over promoting her brand on trade fairs and is planning on exploring the Dubai market later this year.
