## DOLLSVILLA TO THE MALDIVES: 'IN LOVE'

The general manager of the St. Regis Maldives Vommuli Resort [Starwood Hotels] loves the Dutch design DollsVilla by Liliane® so much and ordered a villa for the kids club in his new resort on a private island, southwest of India.

Together with Stoerr's Casa Kubaa the DollsVilla undertake the journey of 8,200 km to an earthly fairytale destination in the Indian Ocean. The dolls stay here not just for a vacation, they will permanently live in the Maldives! #breathtaking Hotelmanager K.S. Sudheesh: "Since I saw the pic which Stoerr's team send me, I'm in love with the DollsVilla by Liliane®."
